A woman with long, dark, wavy hair is lying on her side on a bed. She is looking down and slightly to the left. She is wearing a dark, possibly black, lace-trimmed garment. Her right arm is bent, and her hand is near her head. The bed has white pillows and a white sheet. A brown, textured blanket is visible at the top of the frame.

"I adore men who want to just stare at my tits. I find it extremely flattering," Vanessa says. "My pussy gets so wet when men lock eyes on my naturally large assets that I can't wait to undress. It's almost like there's a direct line from my tit to my clit. But first my white hot teddy has to come off, so I can share my boobs with my admirers."

Vanessa Veracruz

33774

Vanessa stripped down and took each boob in hand. Then she lovingly stroked them and tweaked her nipples as she spoke about what else turns her on. "I get off so easily when my lover caresses my body," she said. "But it's the stimulation on my clit that sends me over the edge. Light touches that turn to long strokes with a tongue push me off of that cliff. Want to make me cum? Lick me from the top of my love button down to ass and back up again." ♣

Kristina Rose & Mick Blue

When fashion designers talk about a model's "lines," what they're referring to is the shape of a girl's body, how it looks in silhouette, and how it will show off their clothing.

Kristina Rose doesn't have the lines of a fashion model. She's too curvy. Sure, she's got long legs and looks hot no matter what she wears, but she's far from the stick-figure waifs that work the fashion runways. Kristina's not a clotheshorse or a dressmaker's

dummy. She's built for sex, a living fuck machine. One look at her kick-starts your libido, gets your blood pumping, your heart racing. Mick Blue took one look at Kristina in her sexy fishnet teddy, leopard-print leggings, and fuck-me pumps, and immediately sprouted a monster boner. Fortunately, Kristina knows just what to do with that throbbing slab of beef. She was built for it. ♣

CALIENTE!

Porn's 10 Hottest Latinas

Passionate and seductive, there is nothing more astounding than the spicy allure of a Latin woman. Blessed with curvy hips, ripened tits that hang from their chests like candy-filled piñatas, and zealous appetites for hardcore sex, porn fans everywhere can all agree that Latin porn stars are muy caliente! A virtual wonderland of hardcore possibilities, it's a delight watching their tan skin writhe across their salivating co-stars in some of porn's most smoldering productions. Epitomizing Latina flash and sizzling seduction, we are pleased to present you with our list of the *10 Hottest Latinas* in the adult industry. Rightfully awarded for their erotic interludes and sexual prowess, we're sure you'll all agree that these tantalizing tamales are exotic and erotic!

10. Vanessa Veracruz

Blessed with model good looks and the most delectable body imaginable, we begin our countdown with Vanessa Veracruz, a sultry Latina with an explosive penchant for wet pussy. Strictly, a lesbian performer, Vanessa has been nominated for a slew of industry awards for her insatiable oral acumen and overall beauty. Smothering her female conquests with her ruby red lips, pink clit and amazing tits, it's impossible to escape her grip once her claws are sunk in. The perfect blend of naughty and nice, dominance and submission, Vanessa has ignited with unfathomable bouts of lesbian lust in noted projects such as *Girlfriends 7* (Third Degree Films), *Dirty Little Secrets* (Wicked Pictures) and *Glamour Solos 3* (Girlfriends Films).

30654

9. Tia Cyrus

With girl-next-door good looks and a charming teen spirit, Tia Cyrus is the type of dirty debutante that makes good men want to do naughty things. Rightfully garnering industry attention since XXX debut in 2009, this Puerto Rican/Dominican cutie ignites when a camera is pointed in her direction and a hard cock or wet pussy is nearby. Organically erotic, with a natural body that is capped with itty-bitty titties, Tia has what it takes to make her co-stars fall in love with just one gaze from her chocolate-colored eyes. The perfect spinner to satiate the cravings of young girl aficionados, Tia has shined in acclaimed teen productions such as *Teen-ie titties* (Third Degree Films), *Teens in Trouble* (Zero Tolerance) and *Boffing the Babysitter 7* (Devil's Films). Spreading her wings wide and allowing us a look inside, it's a pleasure watching this lusty Latina add her own touch of spice to the adult industry.

8. Nikki Delano

Born of Puerto Rican and Columbian descent, Nikki Delano is a treasure trove of erotic possibilities. Blessed with one of the finest asses and pair of lips in the industry, this luscious Latina was clearly crafted for one thing in mind, and this is to drain your balls dry. Always ready to get down and dirty, don't let this pint-sized sexpot fool you. Not only is she one of the most requested performers amongst her peers, she's also the proud owner of a Bachelor's Degree in forensic psychology and holds a double minor in addiction studies and criminology, which makes this bootylicious bombshell a lethal combination. In 2012, Nikki was named the Best Latina Performer by NightMoves and consequently won an additional award for Best Ass the following year. Watch her come to life in fan favorite projects such as *Laid in Lingerie* (Third Degree Films), *The Con Job* (Digital Playground) and *Latinas Love Caliente Creampies 4* (Lethal Hardcore).

30753

7. Aleksa Nicole

There are seldom things quite as breathtaking and jaw dropping than the sexual intensity and lured passion of a Latin woman. Graced with a body shaped like a guitar and an internal rhythm that causes her hips to sway like the ocean, Aleksa Nicole is a virtual wonderland of hardcore possibilities. With honey colored skin that cascades over her bodacious breasts and bubble butt, Aleksa is an impressive woman from top to bottom. Epitomizing Latina flash and smoldering seduction, Aleksa is one of the most celebrated and requested ethnic actresses currently in the jiz biz.

33663

6. Selena Rose

An enchanting seductress, with luscious lips and a bubble butt to match, Selena Rose has been captivating audiences and her co-stars alike since joining the adult industry. Melting her lovers with her hypnotic eyes, and her insatiable way of grinding her curvy hips, this Cuban stunner is primed for the picking. A lusty addition to the Digital Playground lineup, this spicy stunner smolders in every production she takes part in, including critically acclaimed projects such as *Blind Date* and *Cheater*. Standing out amongst her gorgeous contract sisters, this feisty firecracker is eager to remind us that nothing burns quite as intently as the passionate prowess of a Latina superstar. Easily making her way onto our list, the adult industry will continue to be a much sexier place so long as Selena Rose continues to bloom.

5. Chloe Amour

Undoubtedly, one of the most requested newbies in the jizz biz today; it's difficult to maintain your arousal once Chloe Amour enters the room. With long, silky hair that cascades down her back like melted chocolate, homegrown tits that look as perky as vine ripened peaches, and thick pussy lips, this Hispanic hottie from Texas is a cut above the rest. A former model for local beer and liquor brands around her home state, the adult world became a much sexier place the moment Chloe decided to perform in front of the camera back in 2013. An incredibly in-demand starlet, both for her stunning good looks and for her impressive sexual skill, watch Chloe Amour shine in blistering productions such as *Babysitters Taking On Big Dicks- Zero Tolerance*, *Young Girl Seductions 2- Pure Passion*, and *Fresh Melons- Third Degree Films*. With such a brilliant record of accomplishments thus far, we can't wait to see where Chloe Amour's budding career will lead her next!

4. Adrianna Luna

Undoubtedly, one of the most visually stunning Latina lovelies to come around in a long time, Adrianna Luna is a walking contradiction, mixing her erotic sensuality with a background in competitive Muay Thai fighting. Blessed with a beautiful face and a penchant for pole that is impossible to tame, Adrianna is a rising star that is catapulting to the top of the charts at a record rate. Known for delivering sloppy blowjobs and mind-blowing titty fucking sessions that would inflate mere mortals, this Mexican/Filipino goddess is easily raking in legions of die-hard fans at a feverish pace. An easy favorite among Latina enthusiasts, there's nothing

quite comparable to the spectacle created when Adrianna ignites in front of the camera or in a boxing ring. Earning rave reviews for her stellar contributions to productions such as *Tuff Love* (Wicked Pictures), *Supermodels* (Zero Tolerance) and *Slut Puppies 5* (Jules Jordan Video), Luna is as invigorating as a shot of tequila and lime on a hot August afternoon.

3. Alexis Texas

Born in Panama, this military brat of Puerto Rican and European decent, this voluptuous beauty from the outskirts of Texas has created a remarkable impact on the adult industry since joining its ranks back in 2006. She, along with an ass that needs no introduction, has almost single-handedly broken down the physical barriers and stereotypical views of what a porn star ought to look like. Together they have opened up the world to a whole new breed of hometown hotties whose sheer popularity is based upon their natural born curves and their uncanny sex appeal. Never one to hide behind her undeniable sexuality, Alexis continues excelling on screen with stellar productions and with her hardcore charms, there are no limits to the heights this starlet can ascend. Earning prestigious awards such as Best Group Sex Scene in 2011 for her role in *Buttwoman vs. Slutwoman*, Alexis also brought home the Best Tease Performance for her work in *Car Wash Girls* (Elegant Angel). Alexis Texas is at the top of her game, proving that everything is bigger and brighter deep in the heart of Texas, and there's nothing in the world quite comparable to watching Alexis's double bubble in full swing. Giddy up!

2. Jynx Maze

One of the most sought after Latina porn stars of all time, Jynx Maze is the embodiment of Peruvian perfection. With one of the most celebrated asses

in the adult industry and a deep pussy, that has seen the likes of industry heavyweights such as Manuel Ferrara, Tom Byron and Nacho Vidal, Jynx dominates every scene she participates in. Vastly becoming a fan favorite due to her sexually aggressive style and her unwavering penchant for ass-pounding anal sex, Jynx has already been nominated for coveted awards for her sensational sexual acumen, since joining the biz a few years prior. A widely respected performer, Christian Mann, the general manager for Evil Angel, had this to say about Jynx Maze's sexual spit-fire, "Some will tell you it's her no-holes-barred sexual intensity, some will credit her ass, which is so magnificent it should have a name of its own, and all will agree it's the combination of both... and so much more." With a booty so bouncy and bountiful, no luscious Latina list would be complete without Jynx Maze.

33822

1. Veronica Rodriguez

With a purrrfectly charming accent that makes cocks harden and panties drop on the spot, Veronica Rodriguez is the hottest Venezuelan import ever to grace the adult industry. Celebrated from coast to coast for having one of most beautifully petite bodies in porn, Veronica's name has become synonymous with delivering explosive bouts of hardcore sex, especially in critically acclaimed projects such as *Flesh Hunter 12* (Jules Jordan Video), *Latinas on Fire* (Jules Jordan Video) and *Amateur Assault* (Vince Vouyer Unleashed). Also known for her naturally juicy lips and deep-set pussy, fans go wild when watching Veronica wrap her pink lips around porn-sized poles and take command in reverse cowgirl position. VERONICA RODRIGUEZ

Interviewed By:
Emma Edwards

Were you born and raised in Miami, Florida?

No, actually I was born in Venezuela and moved to the United States when I was 12. My family relocated to Chicago first. We were there for four years and just couldn't take the cold winters. From Chicago, we moved to Miami, where I have stayed.

What other jobs did you hold before joining the adult industry?

I held all sorts of jobs. I was a salesperson at the mall, working at different kiosks. I also worked in a few restaurants. Things just were just not working out for me. I just wasn't making enough money.

Had you been a fan of porn or curious about porn before joining?

Yes, I was always curious about porn. It was something that was always very interesting to me. For many years, I was interested in nude modeling and photo shoots.

How did you get introduced into porn?

I actually received an invitation through Facebook to be an extra in a movie. I had no idea it was a porn movie until I got there. When I showed up on set, I was a little scared and felt out of place. It was a different world for me. Once I loosened up, I thought it was a lot of fun. I got paid just a small amount of money and thought to myself, 'I want to get paid what she got paid.'

When you decided to go for it and perform in your first adult scene, was it for a website or for a video production company?

My first scene was with Bang Bros. I felt a bit lost and immature while performing in it. I was innocent to the whole concept of porn. It was different, but after some time, I really got into it. That scene set me up for my whole career. I was shocked and proud to see the things my body was capable of doing.

Was it a boy/girl scene, or was it a lesbian scene?

I started doing boy/girl sex scenes first. After some time, then I started participating in lesbian scenes. I really like girls.

Had you been very sexually experienced before you started doing porn?

Well, I did have sex before porn. I got into porn when I was 19. Actually, I didn't think I was that great at sex. Once I joined porn, I felt like I was getting better and better at sex. My confidence grew.

Well, I guess it's true what they say, 'Practice makes perfect!'

(Laughs) I'm getting a lot of practice these days.

Since you only weigh 96 lbs., do you find it difficult to take large porn cocks?

I used to get a little scared to work with men who had really big cocks. Honestly, I still get a little ner-

vous now, too. After I do a scene with a guy who has a huge cock, I pretty much don't want to have sex for a while. I need to take some time to recover.

Do you enjoy large cocks?

Yes, I love having sex with the big dicks while it's happening. It's just the anticipation that freaks me out. I'm small inside, so there is only so much, literally, that I can take.

Who has the largest porn cock you've been with?

There are a bunch of big dick guys in the industry — most of them actually. Manuel Ferrara has a huge cock. I loved working with him. He's so sexy and professional. Not only is Manuel's cock long, but it is fat. It was really big for me.

Once you got into porn, were you shocked by the differences between home dick and porn dick?

Yes, I was not used to porn dick. All the dicks I ever had in my life were regular sized. In actuality, porn cocks are about the width and length of my forearm. Thankfully, I've figured all of that out now. My pussy is used to it.

Are you strictly a vaginal performer, or do you do anal sex, too?

I haven't done anal sex yet. I'm planning on performing in anal sex scenes for my website, www.VeronicaRodriguez.com.

You mentioned earlier that you like sex with girls. Do you have sex with girls in your private life, or just on screen?

I've always loved girls. Actually, the first person I ever kissed was a girl. I like them both personally and professionally.

What is it that you like most about performing in lesbian scenes?

Lesbian scenes are very passionate. I enjoy the taste and the feel of a woman. Since we are both women, we know the exact ways of pleasing each other. Some men are too rough when it comes to oral sex.

So then, do you feel that women are better at giving oral sex than men?

Sorry guys, but I think that women are better at giving oral sex. Some men need to calm down a little bit. They get way too excited and anxious. Also, if a guy has a beard, it's probably not going to feel too good.

What is your favorite type of sexual combination?

Three-ways. I love three-ways. It's the best of both worlds.

What are you best at sexually?

I have these thick Latina lips, so I'm really good at giving blowjobs. I love sucking cocks and balls. I like to keep things really wet. I work up a lot of saliva. My blowjobs are very sloppy. My blowjobs are great now. I've improved.

Speaking of your beautiful lips, are yours natural?

Yes, my lips are all natural. I can thank my parents for that. Actually, several people have asked me that question.

What is it about Latina performers that make them spicier than most?

I think it's a combination of our asses and our passion. Latina women are very sexual. Men also love the sound of our accents and the way we talk. We're just crazy in bed. Men can't get enough of us.

We've noticed that you've shot a lot of material for Jules Jordan Video. Is that studio one of your favorites to work for?

Yes, I love their product and how professional they are. My time with them is always great. I look forward to working with them. I get along with everybody, which makes for a nice day on set. They book me all the time.

You've also worked with Jules himself, right?

Yes, we worked together in a movie called *Flesh Hunter 12*. He actually flew to Miami to do that scene with me. We started off at the beach. I was in rollerblades, wearing my black booty shorts. I loved that scene.

Do you ever make it out to Los Angeles to shoot?

Yes, I go to Los Angeles every month and stay for a week. After that, I fly back home to rest.

Are you a feature dancer?

Yes, I love feature dancing. I put on a wild show and wear great lingerie and costumes. I took a lot of pole dancing classes and am very good on the pole. You'd be surprised at all the things I can do.

What type of man are you attracted to?

That's a really tough question. I love men who are supportive and nonjudgmental. They must also be entertaining and funny. I am not into boring men. I don't think anyone is, actually.

Since South Beach has an amazing club scene, what types of outfits do you enjoy going out in?

I love wearing leather pants with no panties. I don't like panty lines. I also love wearing short leather dresses and Louis Vuitton heels. I always have the best heels. I also love showing my belly, too. I think that looks sexy. Let's just say that I am always dressed to impress.

Have you ever had sex in a club?

Yes, I did have sex in a club before. It was a quickie. It was so hot. I was nervous the entire time that we would be caught and that I'd be kicked out of the club. I really enjoyed it though. It kind of looked like we were dancing. The element of possibly getting caught makes things so much sexier.

Who in porn would you love to work with, but haven't yet?

I'd love to work with Asa Akira. I love Asian girls. I'd also like to work with Tori Black and Lexi Belle. As far as men go, I'd like to have sex with James Deen. I need to make that happen.

Since you love three-ways, who would be in the ultimate three-way?

I would have sex with J. Lo and a Puerto Rican singer named Daddy Junkie. I love Puerto Ricans. I think the three of us together would be the best scene ever! ♣

Sandra Sanchez

33432

"Not a minute of the day goes by that I'm not craving sex," the insatiable sexpot confessed. "If I can't find it right there and then, I'll take matters into my own hands to satisfy my need to cum."

That's just what happened when Sandra posed for this sexy pictorial. The minute she got out of the makeup chair and in front of the camera, her pussy began to moisten and her clit started aching with desire.

"I needed to climax, so I started strumming my button," dirty little Miss Sanchez said. "It wasn't long before my body began to shudder and I was in seventh heaven. Some girls might have to fake an orgasm, but that's never the case ♣"

White-hot Latina beauty Sandra Sanchez is not shy when it comes to showing what she's got. This gorgeous blonde also has no problem telling or showing what it is that she wants.

Destiny

The true mark of excellence comes not in price or general regard. It comes in endurance. For Destiny, the ability to endure three raging cocks at the same time in each and every hole has made her a muff marathoner. How she trains for such feats is a secret, but we have a feeling it involves a lot of hole stretching and jizz drinking. A stuffed mouth, a crammed cunt, a gaping asshole, and face full of cum are the hallmarks of whoredom with which Destiny displays proudly. Well done, Destiny! Well fucking done.♣
